

Preparing your home for wildfire

Zone One

(0 - 10 metres around your house)

- Keep grass short
- Store flammable materials, such as firewood, well away from your house
- Keep gutters and decks clear of dead leaves, debris and pine needles
- Remove highly flammable plants
- Plant low flammability plants

Zone Two

(10 - 30 metres)

Zone Two

(10 - 30 metres around your house)

- Reduce or move trees so they aren't touching
- Prune branches up to 2 metres from the ground
